13th Edition

SPECTRUM 2021
CROSS INDUSTRY LEARNING

SCM Adaptability to Nu-normal

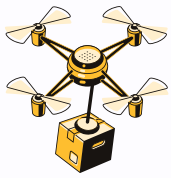

- Think Global Act Local

Chennai Branch of the Indian Institute of Materials Management (IIMM) has always been in the forefront for spreading the concurrent Supply Chain awareness amongst all SCM professionals both experienced and budding SCM youngsters and students wishing to start a profession in SCM. Chennai's Annual mega event had been SPECTRUM where we invite experience from all Industry verticals relevant to the chosen theme for that particular year.

Year 2020 had been a Global pandemic one which has really changed our normal SCM practices and made us adapt to the New(Nu) normal situation from 2021 onwards. With this background we have chosen the theme for Spectrum 2021 to be conducted on a virtual mode on 18th and 19th February as "**SCM Adaptability to Nu-normal**".

We are identified eminent speakers to deliver their experience and share their futuristic vision also so that we could hone our SCM skills to align to the new normal ways and be more competitive, which is the need of the hour in the post pandemic era where SCM's role has been redefined and significantly enhanced. SCM professionals should quickly imbibe these new norms and start off in the right earnest way. This is what IIMM Chennai has attempted to do in the Spectrum 2021.

We sincerely appeal to all connected in some way or other to the SCM role to enrol themselves and encourage their peers, sub ordinates and other associates to benefit from such professional offering. IIMM Chennai will strive to make their participation a very useful one through a 2 day Webinar sessions with speakers from eminent fields touching base on various important SCM functions.
